### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: This application is in condition for allowance except for the presence of claims 7-43 to an invention non-elected without traverse. Accordingly, claims 7-43 have been cancelled.

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art of record fail to teach or suggest a method steps of forming a proximal anastomosis forming an aperture in a wall of the vessel; introducing through the aperture and into the vessel a flexible sealing element having a central stem and having a continuous disassociation region; expanding the sealing element to peripheral dimensions greater than the dimension of the aperture; performing anastomosis on the graft vessel; disassembling the expanded sealing element along the disassociation region.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
